

INTERNATIONAL CAMELINA CONFERENCE 2024

# 1<sup>st</sup> International Camelina Conference

July 19-20 | Lincoln, Nebraska, USA

Join the international camelina community for a focused workshop on translating potential into performance.

- Connect with colleagues from around the world.
- Submit an abstract to present a paper or poster.
- Discuss topics in genetics; molecular breeding; physiology and biochemistry; environmental plasticity; agronomy; quality; and biotechnology and policy.
